Attention Franchise Owners,

Let me start by saying thank you for all of your hard work in growing our company and strengthening the industry.

Social media may seem like the Wild West, but laws that apply in the real world also apply in the virtual world. Violations of FDA, Federal Trade, discrimination, privacy, and trademark laws using social media platforms have very real consequences.

FDA takes action against unapproved health claims posted online and in social media channels as part of the agency's effort to target illegal claims.

The U.S. Food and Drug Administration has advised CBD American Shaman and its franchisees, wholesale partners and affiliates to remove all online networks, including but not limited to Google+, Facebook, Instagram, Twitter, YouTube, LinkedIn, Snapchat and all other online channels that are illegally marketing unapproved health claims.

Effective immediately CBD American Shaman has mandated an all company social media cancellation policy to centralize all social media channels through the corporate office.

ACTION: By 5:00pm September 23rd, 2018 all franchisee, wholesale and or affiliate partners are required to transfer admin access to corporate and its agency of record OR remove and delete all social media pages and business account affiliated with CBD American Shaman until further notice.

The warning letters issued by the FDA to each of the networks state that each social media channel must be audited immediately with any and all claims removed.

Effective immediately all social media content and posts will come from the

Claims removed.

Effective immediately all social media content and posts will come from the corporate voice. This strategy will limit risk for a franchisor as it pertains to the following restrictions.

Companies who fail to correct the violations, as outlined in the FDA warning letters, may be subject to legal enforcement action. Please be advised a series of warning letters have been received.

We appreciate your immediate attention and support in bringing wellness to the world.

This is interesting. If I go to facebook and search “American Shaman,” a ton of sites remain active, including Abe’s. However, it looks like Carla Bauhofer’s is down. If I google her old site – www.cbdofvancouver.com – I’m directed to the main Shaman site.

Agreed. Do you have the information for the shop of Abe's daughter? Hopefully, it is somewhere in between Jacksonville Beach and Bradenton/Sarasota.
